Better than FREE - We Pay You!

Found a Pound is a fun Treasure Hunt to find nearly £1000 hidden in art galleries and public spaces of Liverpool and Merseyside during the 2010 Biennial.

Why a pound? Nearly a quarter of the worlds population lives on a pound a day or less. Spend the pound on anything at all, a cup of tea, a bar of chocolate or drop it in the hat of a busker. Although it's just small change, you could use it to make a bigger change.

Lose a few pounds by finding some pounds. Our Gallery Walking Tour is a fantastic way to lose weight whilst seeing great art and hunting down the pound coins, plus yummy healthy gifts from Tropical Wholefoods and Eat Natural, hidden along the way to give you an extra boost. Show this map to gallery staff to receive your free gift.

Visit foundapound.com to find imaginative ways on how a simple pound coin can make a difference. "Don't know your neighbours? Buy them a pound of sugar!"

Found a Pound in the Wirral: Seagrass Studio Gallery, Dee Fine Arts, The Wirral Open Studio Tour - (15 Venues) plus the Botanic Gardens Museum - Southport

Pounds will not be found on or in any works of art. You will not need to touch anything or enter restricted areas to find the pounds.
